DESIGN APPROVAL No - 138

Name of the Firm: M/s. Integral Systems & Components Private Limited,
Bengaluru-560 058

This is to certify that M/s. Integral Systems & Components Private Limited, D-388/1, 1st Cross, 1st Stage, Peenya Industrial Estate, Bengaluru-560 058, hereby issued with Design Approval to undertake design and development in the following area of activities:

"Design & Development of Basic Avionics LRUs/Systems, Electro-mechanical Systems, Components and Switches for Military Aircraft and Military Airborne applications."

2. The approval is subject to the following conditions:
- The design approval implies that M/s. Integral Systems & Components Private Limited, Bengaluru, is capable of undertaking the above mentioned scope of activities within the firm. However, necessary provisional clearance is to be obtained from the concerned RCMA depending on the aircraft systems or Type Approval from CEMILAC, for each products designed and developed on a case to case basis, for its use.
 - The scope of approval is applicable only to those activities indicated above in Para-1 only.
 - The approval is valid for a period of Two (2) years from the date of issue of this letter, unless otherwise suspended, revoked or cancelled.
 - Prior approval of CEMILAC is required to effect any changes in the composition and / or the scope of approval from list of authorized signatories.
 - A brief write up on design activities undertaken & its status under the scope of the approval for Military aircraft and its systems has to be forwarded to CEMILAC at every six months interval **mandatorily** for subsequent renewals if any.
 - Authorized signatories listed in Appendix 'A' will sign the reports on the areas of work defined and those reports with their signatures only will be accepted by CEMILAC/RCMAs.
 - The newly developed /fabricated items are Subjected to meeting the Quality Assurance aspects & declared performance requirements, being cleared by DGAQA/competent inspection authority for ensuring drawing conformance, quality aspects etc.,
